COR Advantage Items

<i>Approaches to Learning/Logic and Reasoning</i>	
1. Attends and engages with curiosity	
Infants	
1a. Uses all senses to explore. <i>Example:</i> Looks at a soft toy, grasps and shakes it to make it jingle, brings it to her mouth, and sucks on it.	A. Initiative and planning BB. Observing and classifying CC. Experimenting, predicting, and drawing conclusions
Toddlers	
1a. Manipulates objects; observes and explores surroundings by using all senses. <i>Example:</i> Takes all the dolls out of the cradle and attempts to climb in.	A. Initiative and planning BB. Observing and classifying CC. Experimenting, predicting, and drawing conclusions
Twos	
1a. Explores new places and materials; chooses a variety of tasks, especially those with adult support. <i>Example:</i> Digs a hole in the sand, watches as the dry sand flows back into the hole, and asks the teacher to help fix it.	A. Initiative and planning CC. Experimenting, predicting, and drawing conclusions
Preschool	
1a. Chooses tasks of interest; responds to adult encouragement. <i>Example:</i> Completes a new five-piece puzzle while a parent volunteer encourages his effort by saying, "You turned it, and now it fits."	A. Initiative and planning CC. Experimenting, predicting, and drawing conclusions
Pre-K Exit Expectations	
Approaches to Learning 1a. Demonstrates curiosity and eagerness to learn by showing interest in a growing range of topics, ideas, and tasks. <i>Example:</i> Asks questions about an upcoming trip to the library, including how the class will get there and whether he may check out books.	A. Initiative and planning CC. Experimenting, predicting, and drawing conclusions
2. Shows persistence	
Infants	
2a. Attends to sights and sounds. <i>Example:</i> Bangs a plastic bowl and spoon again and again.	A. Initiative and planning CC. Experimenting, predicting, and drawing conclusions

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Approaches to Learning/Logic and Reasoning, Shows persistence, CONT	
Toddlers	
2a. Repeats actions with the goal of achieving a result. <i>Example:</i> Puts small blocks in a bucket and dumps them out again and again.	A. Initiative and planning CC. Experimenting, predicting, and drawing conclusions
Twos	
2a. Continues to work on a self-selected task, especially with adult support. <i>Example:</i> Works with an adult to stack large cardboard blocks over and over until he can get them to stand as tall as he is.	A. Initiative and planning
Preschool	
2a. Continues an activity even when there are challenges; may stop and later return to a self-selected activity. <i>Example:</i> Stops painting when the colors run together. Resumes painting after the teacher suggests waiting until parts of the painting are dry.	A. Initiative and planning
Pre-K Exit Expectations	
2a. Perseveres to understand and accomplish a challenging, self-selected activity despite interruptions and distractions. <i>Example:</i> Builds an elaborate structure out of a variety of materials, working on it for several days.	A. Initiative and planning
3. Approaches tasks flexibly	
Infants	
3a. Emerging	
Toddlers	
3a. Notices how others approach a task and imitates their attempts. <i>Example:</i> Watches the teacher play peek-a-boo with an infant and joins the game.	B. Problem solving with materials
Twos	
3a. Uses trial-and-error approaches; asks for help. <i>Example:</i> Stands on a stool to reach a toy and asks for help when he still cannot reach it.	B. Problem solving with materials

District of Columbia Common Core Early Learning Standards

COR Advantage Items

<i>Approaches to Learning/Logic and Reasoning, Approaches tasks flexibly, CONT</i>	
Preschool	
3a. Finds solutions without having to try every possibility; may change approach. <i>Example:</i> Gets a wagon when he cannot carry three balls in his arms.	B. Problem solving with materials
Pre-K Exit Expectations	
3a. Uses multiple strategies to solve problems and complete tasks. <i>Example:</i> Works with a group of classmates to build a model car from cardboard boxes.	B. Problem solving with materials
3b. Initiates cooperative activities with peers. <i>Example:</i> Says to two other children, "Let's make a car out of this box."	F. Building relationships with other children
4. Uses symbols and takes on pretend roles	
Infants	
4a. Emerging	
Toddlers	
4a. Observes other people's use of objects; imitates simple actions; uses realistic objects in pretend play. <i>Example:</i> Pretends to fit keys into a cabinet door lock.	AA. Pretend play
Twos	
4a. Uses props and imitates actions to re-enact familiar events. <i>Example:</i> Puts a doll in the dramatic play area, tells it that it's time for "nigh, nigh" and puts it in the toy bed.	AA. Pretend play
Preschool	
4a. Uses props in pretend play with one or more children; substitutes one object for another; activity is often theme-based. <i>Example:</i> Tells two children, "I'm a dinosaur. You'd better run. I'm going to eat youff"	F. Building relationships with other children AA. Pretend play
Pre-K Exit Expectations	
Symbolic Thinking 4a. Uses objects, materials, actions, and images to represent other objects. <i>Example:</i> Uses blocks and animal figurines to create a model zoo.	AA. Pretend play
4b. Plays with a few other children for periods of as long as 10 minutes, agreeing on scenarios and roles. <i>Example:</i> Pretends to be a veterinarian, playing with stuffed animals, office props, and children who are "pet owners."	F. Building relationships with other children

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Communication & Language	
5. Demonstrates understanding of spoken language	
Infants	
5a. Appears interested in others' speech. <i>Example:</i> Looks at people who are talking.	M. Listening and comprehension
Toddlers	
5a. Responds to others' speech and gestures. <i>Example:</i> Touches her shoe when she hears the word <i>shoe</i> .	M. Listening and comprehension
Twos	
5a. Responds to simple statements, questions, and simple texts read aloud. <i>Example:</i> Opens the flaps in the book <i>Where's Spot?</i> At the appropriate times.	M. Listening and comprehension
Preschool	
5a. Responds to more complex questions, statements, and texts read aloud that present new vocabulary and ideas. <i>Example:</i> Follows directions to wash and dry hands after working with papier-mâché.	M. Listening and comprehension
Pre-K Exit Expectations	
Comprehension and Collaboration 5a. Asks and answers questions in order to seek and offer help, get and offer information, or clarify something that is not understood. <i>Example:</i> Asks the teacher whether they are having chicken for lunch, what kind, and whether he may have three pieces.	M. Listening and comprehension
5b. Demonstrates understanding of spoken language by responding appropriately. <i>Example:</i> Gets paper to make a sign after the teacher mentions that she might need to make one because children are running in the classroom.	M. Listening and comprehension
K Exit Expectations	
Comprehension and Collaboration SL.K.2. Confirm understanding of a text read aloud or information presented orally or through other media by asking and answering questions about key details and requesting clarification if something is not understood.	M. Listening and comprehension
SL.K.3. Ask and answer questions in order to seek help, get information, or clarify something that is not understood.	M. Listening and comprehension

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Communication & Language CONT	
6. Uses language to express self	
Infants	
6a. Vocalizes and gestures in an effort to communicate. <i>Example:</i> Squeals and leans toward trusted adult when he wants to be picked up.	L. Speaking
Toddlers	
6a. Uses language to express needs and refer to familiar people and objects. <i>Example:</i> Says, “Baba me” when she sees her bottle.	L. Speaking
Twos	
6a. Uses language to describe objects and people and to ask for help. <i>Example:</i> Responds to an airplane flying overhead by saying, “Grandma go bye-bye.”	L. Speaking
Preschool	
6a. Uses new vocabulary in everyday speech to meet own needs and to explain, describe, and manage social relationships. <i>Example:</i> Says, “A caterpillar is in the cocoon.”	L. Speaking
Pre-K Exit Expectations	
Presentation of Knowledge and Ideas 6a. Describes familiar people, places, things, and events and, with prompting and support, provides additional detail. <i>Example:</i> Tells about a trip to the grocery store, mentioning some items and, when asked, says that they came from the freezer.	L. Speaking
6b. Expresses thoughts, feelings, and ideas verbally, enunciating clearly enough to be understood. <i>Example:</i> During small-group time, clearly repeats the directions given for an activity because a classmate said she did not understand what to do.	L. Speaking
Vocabulary Acquisition and Use 6c. With guidance and support, generates words that are similar in meaning (e.g., happy/glad, angry/mad). <i>Example:</i> Explains that his friend is taller because he is “bigger than me.”	L. Speaking
6d. Applies words learned in classroom activities to real-life situations. <i>Example:</i> While looking at a book about dinosaurs, says, “That’s a carnivore. He’s a meat eater.”	L. Speaking

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Communication & Language, 6. Uses language to express self, CONT	
6e. Uses words and phrases acquired during conversations, by listening to stories and informational texts read aloud, playing with other children, and other activities. <i>Example:</i> While playing outside, looks at a flag and tries to sing the national anthem.	M. Listening and comprehension
K Exit Expectations	
Presentation of Knowledge and Ideas SL.K.4. Describe familiar people, places, things, and events and, with prompting and support, provide additional detail.	L. Speaking
SL.K.5. Add drawings or other visual displays to descriptions as desired to provide additional detail.	<i>Does not align</i>
SL.K.6. Speak audibly and express thoughts, feelings, and ideas clearly.	L. Speaking
L.K.4. Determine or clarify the meaning of unknown and multiple-meaning words and phrases based on kindergarten reading and content.	<i>Does not align</i>
L.K.5. With guidance and support from adults, explore word relationships and nuances in word meanings.	<i>Does not align</i>
L.K.6. Use words and phrases acquired through conversations, reading and being read to, and responding to texts.	<i>Does not align</i>
7. Uses conventional grammar and syntax	
Infants	
7a. Babbles and experiments with tone and pitch. <i>Example:</i> Vocalizes, “Ba, ba, ba. BA, BA, BA.”	L. Speaking
Toddlers	
7a. Uses one- and two-word sentences. <i>Example:</i> Asks, “Mommy go?” when looking for her mother.	L. Speaking
Twos	
7a. Uses two- to four-word sentences with some word omissions and errors. <i>Example:</i> Says, “More apple here,” and points to his plate.	L. Speaking
Preschool	
7a. Uses longer sentences with plurals, adjectives, adverbs, and negatives, but not always with correct grammar. <i>Example:</i> While playing outside, says, “I’m first. You wait until I go’dff”	L. Speaking

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Communication & Language, 7. Uses conventional conversational and other social communication skills CONT	
Pre-K Exit Expectations	
Conventions of Standard English 7a. Speaks in complete sentences of 4–6 words, using past, present, and future tenses appropriately for frequently occurring verbs. <i>Example:</i> Tells the class, “We went to the playground today.”	L. Speaking
K Exit Expectations	
Conventions of Standard English L.K.1. Demonstrate command of the conventions of standard English grammar and usage when writing or speaking.	L. Speaking R. Writing
L.K.2. Demonstrate command of the conventions of standard English capitalization, punctuation, and spelling when writing.	R. Writing
8. Uses conventional conversational and other social communication skills	
Infants	
8a. Vocalizes or gestures in back and forth exchanges with others. <i>Example:</i> Squeals each time an adults says, “Peek-a-boo,” and covers the child’s eyes.	E. Building relationships with adults F. Building relationships with other children
Toddlers	
8a. Exchanges single words, simple gestures, and facial expressions with others. <i>Example:</i> Looks out the window and asks, “Out?” Teacher responds by saying, “No, it’s raining.” Child repeats, “No.”	E. Building relationships with adults F. Building relationships with other children
Twos	
8a. Initiates and engages in short back-and-forth exchanges, responding to verbal and nonverbal cues. <i>Example:</i> Child says, “Os,” and holds up two pieces of cereal. After the teacher observes, “You picked up two pieces,” the child says, “Two.”	E. Building relationships with adults
Preschool	
8a. Initiates and engages in conversations of as many as three exchanges. <i>Example:</i> Extends a conversation by adding ideas to what another child said about going to a store, saying, “I’ve been there,” and later in the conversation saying, “I bought pants.”	E. Building relationships with adults F. Building relationships with other children

District of Columbia Common Core Early Learning Standards

Communication & Language, 7. Uses conventional conversational and other social communication skills CONT	
Pre-K Exit Expectations	
<p>Comprehension and Collaboration 8a. Initiates and engages in conversations of at least three exchanges. <i>Example:</i> Answers, “Red” when a classmate asks what his favorite color is and then asks, “What’s yours?” When the classmate says, “Blue,” responds, “I like blue, too. My mom’s favorite is purple.”</p>	<ul style="list-style-type: none"> E. Building relationships with adults F. Building relationships with other children M. Listening and comprehension
<p>Compensation and Collaboration SL.K.1. Participate in collaborative conversations with diverse partners about <i>kindergarten topics and texts</i> with peers and adults in small and larger groups.</p>	<ul style="list-style-type: none"> E. Building relationships with adults F. Building relationships with other children M. Listening and comprehension

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Literacy	
9. Demonstrates understanding of print concepts	
Infants	
9a. Shows an interest in print materials. <i>Example:</i> Reaches for a magazine while sitting with an adult who is reading one.	P. Reading Q. Book enjoyment and knowledge
Toddlers	
9a. Notices pictures of familiar objects in print materials. <i>Example:</i> Points to a picture of a dog and says, "Dog."	P. Reading
Twos	
9a. Recognizes familiar books and looks at pictures. <i>Example:</i> Repeats the word "bus," as she looks on a shelf for her favorite book, <i>The Wheels on the Bus</i> .	Q. Book enjoyment and knowledge
Preschool	
9a. Understands that print has meaning and corresponds with spoken language; orients book correctly and turns pages. <i>Example:</i> Looks at the pictures on each page while telling parts of the story of <i>The Big Bad Wolf</i> .	Q. Book enjoyment and knowledge
Pre-K Exit Expectations	
Print Concepts 9a. With guidance and support, demonstrates a basic understanding of the organization and features of print. <i>Example:</i> Asks his teacher to write his name with "big" and "little" letters, or in upper and lowercase, like the label on his cubicle.	Q. Book enjoyment and knowledge
9b. Recognizes that spoken language can be written and read, and that written language can be read and spoken. <i>Example:</i> Works with the teacher to write directions for making play dough.	Q. Book enjoyment and knowledge
9c. Recognizes and names 10 or more letters of the alphabet. <i>Example:</i> Plays "I Spy" with classmates to find letters in different areas of the classroom.	O. Alphabet knowledge
K Exit Expectations	
Print Concepts RF.K.1. Demonstrate understanding of the organization and basic features of print.	P. Reading R. Writing
Fluency RF.K.4. Read emergent-reader texts with purpose and understanding.	P. Reading

COR Advantage Items

10. Demonstrates comprehension of printed materials read aloud	
Infants	
10a. Emerging	
Toddlers	
10a. Emerging	
Twos	
10a Pretends to read a book by naming pictured objects and characters, using the support of an adult who asks questions. <i>Example:</i> Sits with adult and points to the drawing of a bird when the teacher asks, "Where's the bird?"	R. Writing
Preschool	
10a. Uses some words and/or concepts from the text to talk about a story, poem, or informational text read aloud. <i>Example:</i> After hearing the book <i>Old McDonald</i> read aloud, retells the story to a doll, using some of the teacher's gestures and animal sounds	R. Writing
Pre-K Exit Expectations	
Literature and Informational Texts Key Ideas and Details 10a. With prompting and support, asks and answers questions about key details of a story, poem, or informational text read aloud. <i>Example:</i> During choice time, sits with a few other children and uses a big book to "read" and talk about the story.	M. Listening and comprehension
10b. With prompting and support, retells a sequence of events from a familiar story read aloud or important facts from an informational text read aloud. <i>Example:</i> With help from other children, retells a story at lunch that was read during morning meeting.	M. Listening and comprehension
10c. With prompting and support, identifies the characters and settings of a story read aloud. <i>Example:</i> Uses puppets to act out a story that she heard read aloud, telling classmates about the three goats, a "bad guy," and a bridge that was in the story.	M. Listening and comprehension
Craft and Structure 10d. With prompting and support, asks and answers questions about unfamiliar words in a story, poem, or informational text read aloud. <i>Example:</i> Asks teacher whether "pledge allegiance" means that the flag is pretty.	M. Listening and comprehension

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Literacy, 10. Demonstrates comprehension of printed materials read aloud, CONT	
10e. With prompting and support, names the author and illustrator of a familiar book and defines the role of each in telling the story. <i>Example:</i> Brings The Cat in the Hat to the teacher and tells him the cat was bad and that a doctor, Seuss, wrote about it.	M. Listening and comprehension
10f. Recognizes familiar books by their covers. <i>Example:</i> Piles several Eric Carle books and says, "These are my favorite."	Q. Book enjoyment and knowledge
Integration of Knowledge and Ideas 10g. After hearing a story read aloud, looks at the illustrations and, with prompting and support, explains the part of the story that each illustration depicts. <i>Example:</i> Hears a story about a museum, makes a book with a picture for each of her favorite parts of the story, and then talks about her book with a classmate.	M. Listening and comprehension Q. Book enjoyment and knowledge
10h. After hearing an informational text read aloud, looks at illustrations and explains important ideas in the picture. <i>Example:</i> Uses pictures to retell details from a book about animals that hibernate.	M. Listening and comprehension Q. Book enjoyment and knowledge
K Exit Expectations	
Literature Key Ideas and Details RL.K.1. With prompting and support, ask and answer questions about key details in a text.	M. Listening and comprehension Q. Book enjoyment and knowledge
RL.K.2. With prompting and support, retell familiar stories, including key details.	M. Listening and comprehension Q. Book enjoyment and knowledge
RL.K.3. With prompting and support, identify characters, settings, and major events in a story.	M. Listening and comprehension Q. Book enjoyment and knowledge
Informational Text Key Ideas and Details RI.K.1. With prompting and support, ask and answer questions about key details in a text.	M. Listening and comprehension Q. Book enjoyment and knowledge
RI.K.2. With prompting and support, identify the main topic and retell key details of a text.	M. Listening and comprehension Q. Book enjoyment and knowledge
RI.K.3. With prompting and support, describe the connection between two individuals, events, ideas, or pieces of information in a text.	M. Listening and comprehension Q. Book enjoyment and knowledge
Literature Craft and Structure RL.K.4. Ask and answer questions about unknown words in a text.	<i>Does not align</i>
RL.K.5. Recognize common types of texts (e.g., storybooks, poems).	<i>Does not align</i>

<i>Mathematics, 15. Demonstrates knowledge of number and counting, CONT</i>	
Pre-K Exit Expectations, CONT	
15d. Counts 10–20 objects accurately, using one number name for each object. <i>Example:</i> Counts the children who want to plant seeds and takes that many cups from a box.	S. Number and counting
15e. Understands that the last number named tells the number of objects counted and that the number of objects is the same regardless of their arrangement or the order in which they were counted. <i>Example:</i> Plays a “magic game” where she rearranges cups in the dramatic play area, covers them with a scarf, uncovers them, and recounts them.	S. Number and counting
15f. Counts to answer “How many?” questions about 10–20 objects. <i>Example:</i> Asks the teacher how many Canada geese are flying overhead but starts to count the birds before she answers	S. Number and counting
15g. Correctly associates a numeral with a group of as many as 10 counted objects. <i>Example:</i> Matches numeral cards with cards on which different quantities of animals are pictured.	<i>Does not align</i>
Compares numbers 15h. Uses matching and counting strategies and comparative language to identify whether the number of objects in one group (as many as 10 objects) is greater than, less than, or equal to the number of objects in another group (as many as 10 objects) <i>Example:</i> Serves two dolls the same number of play dough “raisins.”	S. Number and counting
Understands addition as putting together and adding to, and understands subtraction as taking apart and taking from 15i. Uses concrete objects to solve real-world addition (putting together) and subtraction (taking away) problems with 6–10 objects. <i>Example:</i> Gives her friend two more puzzle pieces so they will have the same number in their stacks.	S. Number and counting
K Exit Expectations	
Know number names and the count sequence. K.CC.1. Count to 100 by ones and by tens.	S. Number and counting
K.CC.2. Count forward beginning from a given number within the known sequence (instead of having to begin at 1).	<i>Does not align</i>
K.CC.3. Write numbers from 0 to 20. Represent a number of objects with a written numeral 0-20 (with 0 representing a count of no objects).	R. Writing
Count to tell the number of objects K.CC.4. Understand the relationship between numbers and quantities; connect counting to cardinality.	S. Number and counting

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Mathematics, 15. Demonstrates knowledge of number and counting, CONT	
K Exit Expectations, CONT	
K.CC.5. Count to answer “how many?” questions about as many as 20 things arranged in a line, a rectangular array, or a circle, or as many as 10 things in a scattered configuration; given a number from 1–20, count out that many objects.	S. Number and counting
Work with numbers 11-19 to gain foundations for place value. K.NBT.1. Compose and decompose numbers from 11 to 19 into ten ones and some further ones, e.g., by using objects or drawings, and record each composition or decomposition by a drawing or equation (e.g., $18 = 10 + 8$); understand that these numbers are composed of ten ones and one, two, three, four, five, six, seven, eight, or nine ones	S. Number and counting
Compare numbers. K.CC.6. Identify whether the number of objects in one group is greater than, less than, or equal to the number of objects in another group, e.g., by using matching and counting strategies.	S. Number and counting
K.CC.7. Compare two numbers between 1 and 10 presented as written numerals.	<i>Does not align</i>
Understand addition as putting together and adding to, and understand subtraction as taking apart and taking from. K.OA.1. Represent addition and subtraction with objects, fingers, mental images, drawings, sounds (e.g., claps), acting out situations, verbal explanations, expressions, or equations.	S. Number and counting
K.OA.2. Solve addition and subtraction word problems, and add and subtract within 10, e.g., by using objects or drawings to represent the problem.	S. Number and counting
K.OA.3. Decompose numbers less than or equal to 10 into pairs in more than one way, e.g., by using objects or drawings, and record each decomposition by a drawing or equation (e.g., $5 = 2 + 3$ and $5 = 4 + 1$).	S. Number and counting
K.OA.4. For any number from 1 to 9, find the number that makes 10 when added to the given number, e.g., by using objects or drawings, and record the answer with a drawing or equation.	S. Number and counting
K.OA.5. Fluently add and subtract within 5.	S. Number and counting
16. Demonstrates knowledge of volume, height, weight, and length	
Infants	
16a. Emerging	

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Mathematics, 16. Demonstrates knowledge of volume, height, weight, and length, CONT	
Toddlers	
16a. Explores objects of different shapes and sizes. <i>Example:</i> Pours water from a large pitcher into a small cup at the water table, watching the water overflow.	U. Measurement
Twos	
16a. Makes simple comparisons, noticing similarities and differences between objects. <i>Example:</i> Puts three plastic cows in order from biggest to smallest, saying “Daddy, mommy, baby,” as he does so.	U. Measurement
Preschool	
16a. Understands reasons for measuring and the purpose of measuring tools; uses standard and nonstandard tools and some measurement words; begins to order a few objects according to height and length. <i>Example:</i> Gets a block and begins to count the number of times it fits end-to-end across a table. When she gets to the end she says, “It’s eight blocksff”	U. Measurement
Pre-K Exit Expectations	
Describes and compares measurable attributes 16a. Describes everyday objects in terms of measurable attributes, such as length, height, weight, or volume (capacity), using appropriate basic vocabulary (e.g., short, long, tall, heavy, light, big, small, wide, narrow). <i>Example:</i> Describes shells in terms of big/little, light/dark, long/short, etc.	U. Measurement
16b. Knows and correctly uses a few ordinal numbers. <i>Example:</i> Challenges a classmate to race to a tree, shouting, “I’ll be firstff”	<i>Does not align</i>
16c. Knows the usual sequence of basic daily events. <i>Example:</i> Tells the substitute teacher that it isn’t time to go to the library because they haven’t had their snack yet.	HH. History
K Exit Expectations	
Describe and compare measurable attributes. K.MD.1. Describe measurable attributes of objects, such as length or weight. Describe several measurable attributes of a single object.	U. Measurement
K.MD.2. Directly compare two objects with a measurable attribute in common, to see which object has “more of”/“less of” the attribute, and describe the difference. <i>For example, directly compare the heights of two children and describe one child as taller/shorter.</i>	U. Measurement

Mathematic, CONT 17. Identifies and labels shapes	
Infants	
17a. Emerging	
Toddlers	
17a. Explores objects of different shapes. <i>Example:</i> Attempts to put pieces into a shape sorter.	T. Geometry: Shapes and spatial awareness
Twos	
17a. Matches one shape with the same shape. <i>Example:</i> Cuts out play dough disks and says, "My cookies."	T. Geometry: Shapes and spatial awareness
Preschool	
17a. Names a few basic two-dimensional shapes. <i>Example:</i> Rolls a ball along a shelf, singing "The Wheels on the Bus are a circleff"	T. Geometry: Shapes and spatial awareness
Pre-K Exit Expectations	
17a. Correctly names basic two-dimensional shapes (squares, circles, triangles, rectangles), regardless of their orientations or size. <i>Example:</i> Looks around the classroom and points out that there are a lot of circles and squares because of the tabletops.	T. Geometry: Shapes and spatial awareness
17b. Describes basic two- and three-dimensional shapes. <i>Example:</i> Explains, "It has three sides and three points. It's a triangle."	T. Geometry: Shapes and spatial awareness
17c. Builds objects of basic shapes (ball/sphere, square box/cube, tube/cylinder) by using various materials such as craft sticks, blocks, pipe cleaners, clay, and so on. <i>Example:</i> Makes balls with play dough and calls them marbles.	T. Geometry: Shapes and spatial awareness
K Exit Expectations	
Identify and describe shapes (squares, circles, triangles, rectangles, hexagons, cubes, cones, cylinders, spheres). K.G.1. Describe objects in the environment using names of shapes, and describe the relative positions of these objects using terms such as above, below, beside, in front of, behind, and next to.	T. Geometry: Shapes and spatial awareness
K.G.2. Correctly name shapes regardless of their orientations or overall size.	T. Geometry: Shapes and spatial awareness
K.G.3. Identify shapes as two-dimensional (lying in a plane, "flat") or three-dimensional ("solid").	T. Geometry: Shapes and spatial awareness

<i>Physical Development/Health and Safety</i>	
32. Demonstrates strength and coordination of large muscles	
Infants	
32a. Uses arms, legs, and whole body to move. <i>Example:</i> Rolls, sits, crawls, cruises, and then takes steps.	I. Gross-motor skills
Toddlers	
32a. Moves in a variety of ways and directions. <i>Example:</i> Toddles without support; attempts to jump; carries a large ball while walking.	I. Gross-motor skills
Twos	
32a. Attempts new large-muscle activities that require coordination and balance. <i>Example:</i> Runs, marches, throws, catches, and kicks balls with little control of the direction or speed of the balls.	I. Gross-motor skills
Preschool	
32a. Engages in complex large- muscle activities that involve flexibility, control, and a full range of motion. <i>Example:</i> Rides a tricycle; attempts to gallop; walks up and down steps with alternating feet; kicks and throws ball toward a person or place.	I. Gross-motor skills
Pre-K Exit Expectations	
Large-Muscle Strength and Coordination 32a. Demonstrates locomotor skills by running smoothly. <i>Example:</i> Races back and forth between two playground cones.	I. Gross-motor skills
32b. Demonstrates balancing skills by hopping and jumping in place. <i>Example:</i> Jumps up and down in place when the teacher asks, “Who would like to set the table?”	I. Gross-motor skills
32c. Demonstrates ball-handling skills, using a full range of motion. <i>Example:</i> Tosses balls into a large storage tub, using both over- and underhand movements.	I. Gross-motor skills
33. Demonstrates strength and coordination of small muscles	
Infants	
33a. Uses whole hand and fingers (all together, raking, and then using thumb and index finger) to touch, hold, and pick up objects. <i>Example:</i> Holds a bottle with two hands; picks up cereal; empties objects from a container.	J. Fine-motor skills

District of Columbia Common Core Early Learning Standards

COR Advantage Items

Physical Development/Health and Safety, 33. Demonstrates strength and coordination of small muscles, CONT	
Toddlers	
33a. Attempts activities that require two hands; uses fingers and whole-arm movements to place and release objects. <i>Example:</i> Scribbles with large crayons; turns pages of book (often more than one at a time); begins to use a spoon and fork	J. Fine-motor skills
Twos	
33a. Engages in activities that require eye–hand coordination; uses wrist and finger movements to manipulate objects. <i>Example:</i> Pours liquids from pitcher to cup; works simple puzzles; strings large beads	J. Fine-motor skills
Preschool	
33a. Uses finger and hand movements to work with small objects and accomplish tasks. <i>Example:</i> Copies shapes; cuts with scissors; fastens large buttons; writes some letter- or numeral-like forms; uses a stapler and tape	J. Fine-motor skills
Pre-K Exit Expectations	
Small-Muscle Strength and Coordination 33a. Uses precise hand, finger, and wrist movements to grasp, release, and manipulate small objects. <i>Example:</i> Plays with dramatic play furniture and props, using a range of fine-motor movements to open the latch on a cabinet, button a doll’s shirt, and place small dishes on a table.	J. Fine-motor skills
33b. Uses writing and drawing tools to perform particular tasks. <i>Example:</i> Uses a variety of materials, such as colored pencils, pens, and thin markers, to make a thank-you card.	J. Fine-motor skills R. Writing
34. Demonstrates behaviors that promote health and safety	
Infants	
34a. Emerging	
34b. Begins to participate in meeting own needs <i>Example:</i> Opens mouth when food is offered.	K. Personal care and healthy behavior
34c. Emerging	
Toddlers
